

Our Indiana Home

Action Steps to Support Our Indiana Home:

- **Become an “Our Indiana Home” Endorser.** Show that your organization publicly supports this effort by placing your name on the list of endorsers. It can be done on-line at www.ourindianahome.org or by faxing the endorsement form to 317-920-2310.
- **Ask Others to Endorse.** Ask at least two (2) other partner organizations to become Endorsers. You could ask members of your board who work or represent other entities in your community to endorse.
- **Engage Your Board & Spread the Word.** Invite us to a board meeting or other local meeting to give a presentation about “Our Indiana Home” and what it means to your local community.
- **Help Our Indiana Home with Local Media.** Work with Our Indiana Home to educate your local media about the affordable housing issue. For example, help us set up editorial boards or other meetings with local media and build a relationship with them.
- **Write a Letter to the Editor.**
- **Meet, Invite, & Communicate with Your Legislator.** Commit to engaging with your legislator at least one time in 2006. Invite him/her to your annual meeting, special event, ground breaking or set aside a targeted meeting. Tell them about your programs, introduce them to people you serve, talk about the Development Fund Report. [Our Indiana Home](http://www.ourindianahome.org) will be glad to assist you with this effort!
- **Share Stories & Impact.** Our Indiana Home will need compelling stories and impact data over the next 6 – 12 months to use in various ways.
